

Sustainable Forestry Tour

June 24-27, 2009

Explore North Central Idaho's Forests

Outstanding Educational Opportunity for Teachers and Counselors!

Explore Idaho's forests and learn about sustainable forestry—A trip of a lifetime!
Tour is based out of Lewiston, Idaho

Tour & Travel Expenses Paid - VIP Treatment - 2 Credits Available

What will you do on the tour?

Explore some of the most beautiful forests in the world ■ Travel where Lewis & Clark traveled ■ Learn which trees grow where and why ■ Investigate elements of sustainable forest management ■ Tour a high-tech sawmill ■ See logs being peeled and made into plywood ■ Network with other educators ■ Interact with foresters, biologists, loggers, technology specialists and mill workers who care for our forests and make products you use every day ■ Learn about potential careers for your students ■ Touch the future forest at a seedling nursery ■ See

how toilet paper is made ■ Sit in a timber harvester ■ See how helicopters fight wildfires ■ Eat well ■ Touch a huge western white pine (Idaho's state tree) ■ Reflect in an ancient cedar grove ■ See the full-circle process of making products out of trees while sustaining forest ecosystems.

To apply for a spot on the tour, apply online at www.idahoforests.org, or submit this application form. For more information, visit the website or see our FAQs. **Application deadline: 3/31/09**. Applicants will be notified by 4/30/09.

Idaho Forest Products Commission, 350 N 9th St., #500, Boise ID 83702
