## PLT Professional Development Workshop WILDFIRES & "WEEDS"

### Grangeville

Location: Nez Perce National Forest Headquarters, Grangeville. Hours: 8:30 am – 4 pm each day

(This is a separate credit from other Project Learning Tree workshops!)

*Investigate two of the hottest environmental issues—wildfires and invasive species. It's hard to go a week without hearing a news report about either of these topics. Learn more through activities, speakers and field trips. Get great information and materials to use with your students!*

**Materials:** Receive the PLT PreK-8<sup>th</sup> Activity Guide and/or the PLT Forest Ecology Module for High School. We'll also experience some of the U.S. Forest Service's *FireWorks* activities!

**Credit:** You may earn one graduate professional education credit (for recertification and moving on pay scale) from your choice of UI (\$60) or NNU (\$60). One undergraduate credit from LCSC is available (\$78). Credit registration and payment will take place during the workshop.

**To SIGN UP:** Send the \$25 workshop fee to PLT at 350 N 9th St, #500, Boise ID 83702. Please include your name, address, phone number, email and grade level/subject(s) you teach (if you're a teacher). The fee is refundable if you cancel at least one week prior to workshop. When you sign up, we will send you a memo with detailed workshop information.

**Questions?** Contact Michelle Youngquist at [plt@idahoforests.org](mailto:plt@idahoforests.org), 208-334-4061.

*Project Learning Tree is an award-winning education program that uses forests and trees as "windows" on the world. By attending this workshop, you receive an activity guide and the PLT module, "Forest Ecology" with good information and fun educational activities to help your students learn how to think not what to think about the environment and related issues.*
