

Sustainable Forestry Tour

June 25-28, 2008

Explore North Central Idaho's Forests

Outstanding Educational Opportunity for Teachers and Counselors!

Explore Idaho's forests and learn about sustainable forestry--A trip of a lifetime!
Tour is based out of Lewiston, Idaho.

Tour & Travel Expenses Paid - VIP Treatment - Two Credits Available

What will you do on the tour?

Explore some of the most beautiful forests in the world • Travel where Lewis & Clark traveled • Learn which trees grow where and why • Investigate the elements of sustainable forest management • Tour a high-tech sawmill • See logs being peeled and made into plywood •

Network with other educators • Interact with foresters, biologists, technology specialists and mill workers who care for our forests and make products you use every day • Learn about potential careers for your students • Touch the future forest at a seedling nursery • See toilet paper being made • Sit in a timber harvester • See how helicopters fight wildfires • Eat well • Touch a huge western white pine (Idaho's state tree) • Reflect in an ancient cedar grove • See the full-circle process of making products out of trees while sustaining forest ecosystems.

To apply for a spot on the tour, submit this application form, or apply at www.idahoforests.org. For more information, see our FAQs or visit the website.
Application deadline: 3/31/08. Applicants will be notified by 4/30/08.

Idaho Forest Products Commission, 350 N 9th St., #304, Boise ID 83702

Sustainable Forestry Tour Information and APPLICATION FORM

Through the Sustainable Forestry Tour, June 25-28, 2008, participants immerse themselves in the social, economic and ecological aspects of sustainable forestry. During the 3-day program, they'll visit private, state and federal forests; tour a sawmill, plywood mill, paper mill, and seedling nursery; visit a fish hatchery; see a firefighting demonstration; and visit an ancient cedar grove. Throughout the tour, they learn directly from the natural resource professionals who care for our forests, and those who provide products we all use every day. Participants leave with abundant information and resources to explore sustainable forestry with their students.

Participants need to register anytime between 10am and 2pm on Wednesday, June 25th. Tour begins at 3 pm on Wed., 6/25, and ends at 10 am on Sat., 6/28. An optional jet-boat ride on the Snake River, including lunch, will take place on Saturday. Participants lodge at, and the tour operates out of, the Red Lion Hotel in Lewiston, Idaho.

Tour costs are covered by a consortium of individual, business and agency sponsors. All tour expenses are paid, including transportation to/from the tour, meals, lodging, tour travel, and materials.

Two graduate credits (for recertification) are available from the University of Idaho at the participants' own cost (Idaho: \$86/credit. Outside Idaho: \$227/credit. Thirty Washington ESD 101 clock hours are available for a total of \$60). Credit registration takes place during the tour.

Interested teachers or counselors: *Complete this application form and return it to the address below. For more information about the Sustainable Forestry Tour, or to apply online, visit www.idahoforests.org.*

Applicant name	
Street address	
City, state, ZIP	
Home phone	
Email you use most	(Please add plt@idahoforests.org to your "acceptable" email list.)
School name	
School city, state, ZIP
